B01-BLAIR

As stylish as these girls look, clothes are unimportant to them. Soon they'll be topless, dressed in only their snug cut-offs, while they play with each other's bare boobies, stiff nipples dancing beneath curious fingers. Before long the cut-offs are gone, too, discarded into a crumpled heap on the floor while Hannah and Kristina spread out on the bed, lips locked, tongues twisting, fingers and dildos jammed deep inside each other. That's when the orgasms begin, and we like that.

A photograph of a woman from the waist up, showing her back and a side profile. She has long brown hair and is wearing light blue lingerie with a shiny, metallic texture. On her back, there are two tattoos: 'PRINCESS' on her right shoulder and 'JY' on her left shoulder. She is leaning against a light-colored wall with her right hand, wearing a silver bracelet. Her left arm is bent, showing her bicep. She is looking over her shoulder at the camera with a neutral expression.

We just love girls with nice big (or not so big) bubble butts. That's why we want you to take a close look at Brooklyn's beautiful ass, as well as all her other parts. But her butt's been made for lovin' because it's beautiful, it's bubbly, and it's meant to be adorned!

WHAT THE HELL...

I'm writing in appreciation of the more mature woman. I'm twenty myself but like over-thirty year old MILFs. I love these women and they like me. Once they know that I'm interested in sleeping with them, the task is so much easier. Since I moved to this high-end, North Shore suburb of Chicago, I've been getting all the mature nookie I can handle. I found a job at a small hair salon whose clientele is just my type. It is wholly managed and owned by a lovely lady, Lea. She is a great boss, accommodating her clientele and never rude. There are only three employees working at the shop, two ladies and myself.

I'm pretty well built, not gay, and know how to charm the ladies. Lea's now divorced saying the shop is her current lover. She has a great sense of dressing. She mostly wears skirts in the shop. We are frank to each other. During lunches, mostly talk and pass our time, as fewer people come in at noon time. Today, it's 8:30 in the morning when I left my home for the shop. I'm always punctual. I'd reached the shop 10 minutes later since it's not far from my house. Truth be told, Lea, who is 33 years old, is very attractive. This morning she's wearing a black skirt just a bit shorter than her knees. She's as tall as me with blonde hair, a sexy ass, and full breasts. I was attracted to her from the moment I interviewed with her. It was quite busy today and we were tired by lunch time,

so she decided to close the shop for an hour after looking at the afternoon bookings. Nobody was in the shop except us. So we started our inevitable conversations as usual about the clients and their problems we always seem to hear about.

During our break, Lea invited me to stop by her house tonight on the way home for a drink. She was leaving early and I could close the shop down. I said that would be nice and she left in the early afternoon. I decided to go home first and freshen up and then left for her place. As it was a casual invitation for drinks, I wasn't shocked to see her in a housecoat while opening the door. Tasteful but sexy. I entered the house and she invited me to sit on the sofa. The drinks were already on the coffee table. I blurted out, "Do you dress this way when company's coming?" She smiled at me and leaned over to get the drinks. Of course, her boobs fell forward filling the flimsy bra top underneath.

She handed me a glass of wine and held one for herself. I decided, 'what the hell,' and sat back on the sofa making myself comfortable. We started drinking. After a couple of glasses more, the conversation became more heated. "I'd like to play a game of cards.: she said. She brought out a deck when I agreed. After playing for sometime, she asked to add a new rule to it. Every time when one person loses he/she must take off a piece of clothing. Sounded like strip poker to me, and I knew I was a winner because she only had on a few things.

She won the first hand. I quickly unbuttoned my shirt. I was quite horny by now. The next few hands

were won by her and I didn't lose on purpose. I ended up naked. She lost the next three hands and by now we were both naked and a little tipsy. I stared at her boobs and felt my cock throbbing under the table. "Well, what do we play for now?" she asked coyly. I volunteered that we could play to see who is going down on the other first. She was not surprised and dealt out the next hand. I lost, that is... I won.

That is, I lost the hand and she got to go down on me first, so she got down on her knees and started playing with my member. It felt great when she licked the tip, then took it inside deeper. She asked me to fuck her mouth, I did exactly that as she twirled my swollen balls in her hand. We both were moaning, and when I came in her mouth, it seemed she came too. My cum was dripping out of her mouth on her breasts, she rubbed it in, and let me do it, too. I licked my own sperm off her nipples, she was breathing deeply, then I slid down and put two fingers inside her. While I was fingering her, I also licked her clit. She asked me to keep doing it.

She soon came and shouted out loud in ecstasy. We lay on the sofa for the next few minutes, then went to her bedroom. She lay on her back, spread her legs and told me to fuck her. I got on top, positioned myself over her and thrust my dick in. We talked dirty as we fucked, and we both moaned as we climaxed; laughed about some incidences at the shop and ultimately fell asleep in each other's arms. Fortunately, the next day was Monday and the shop was closed.

PICNIC NOOKIE...

I just had to write because I bagged my first twenty-something last night. I was at our company picnic that was being held at a large local park. The weather was nice and there was a huge turnout. I had only been working at the company for a year since my transfer from Columbus so many faces were new to me.

One of them was this very attractive babe named Robin. She was sitting at one of the picnic tables eating some potato salad and there was an open seat next to her so I asked if I could sit. The table had another six people sitting and the noise level was quite loud. I introduced myself to the people around me, and to Robin. She said hello and little else for several minutes.

I tried to get a conversation going with some short questions, where did she work, how long, did she like it. Her answers were short but very polite. She also asked about me and I told her. After a half hour or so, the table cleared and Robin and I were the only ones left. I asked if I could sit opposite her and continue our conversation. She said fine and we talked away the afternoon. I found her fun, vibrant, full of things to say about the company, some good some bad. And married.

Turns out she was a departmental manager with twenty staffers under her. I told her I was in mar-

keting and hoped to stay a long time. As the day wore down we went our own ways but at the end of the day as we all gathered for a little pep rally from the bosses, she came up and stood beside me. We said 'Hi.' again, and she asked if I wanted to get a drink after the picnic. "Just the two of us?" I asked. "Just us." she replied. Did this hottie just asked me out? I can't wait.

Later we met at a local restaurant and had dinner and drinks. We laughed throughout it and I became more and more infatuated with her. Her eyes were mesmerizing and her body was killer. As the night wore down the conversation got hotter and more suggestive. She said her boyfriend had moved out a month ago to be with another man and she hadn't quite recovered from the shock. Suddenly, she asked if I would come home with her and after initially refusing, I thought better and told that I would like to.

We went to her home and it was very nice with a lot of oak and antique looking stuff throughout. We wasted little time getting it on. The dinner conversation and a few extra drinks made us ready for this. She went to her bathroom to get comfortable and she told me to strip down and sit on the bed. I covered myself quickly with a pillow. My cock was very hard already and I was a little embarrassed. She came out of the bathroom, naked. Wow, did she look good, but before I could get a better look, she came over, flung the pillow off me and took my dick in her hand, bent down, looked at it hungrily, and licked the tip of it.

As the head of my dick disappeared into her

mouth, she surrounded it with her warm lips. As soon as she began to suck on my cock all the nervousness just fell away. Turns out she was a really good cocksucker. She slid her hand under my balls and gently began massaging them back and forth as she sucked on me.

I stopped her and sat up. I then moved on top of her, skin to skin. She opened her legs and I got between them. Her nipples were nice and very hard and, as my cock nudged her pussy, I could feel she was bare and smooth down there. I kissed her lips and then kissed and licked my way down her neck and chest to her hard nipples. I took each one, in turn, into my mouth as I licked, nibbled, chewed, bit and sucked on them as hard as she could take it. All this time she was squirming below me and my dick was knocking on her love hole.

She moaned out loud pushing my head south and on to her now soaking pussy. I kissed and licked my way down to that lovely pussy of hers. As I slid my hand over her wetness, she thrust her pussy at it. She was like a wanton woman by the time I got two fingers deep inside her. I strummed her clit with the fingers of my other hand. Soon she was right at the edge of no return and begged for me to suck on her clit and make her cum, which I obligingly did.

Thankfully the next day was the fourth and we stayed in bed all day, fucking another two or three times before I had to go home. At work We would see each other passing in hallways and always smiled. It's two months later and while we haven't reunited, I'm sure we will... Or not.

clubbing the place for cock

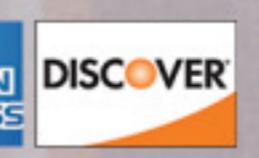

It's the third week of summer and my best girlfriend and I are in a wonderful four-star resort in Jamaica. We've been here for five days and while the sun and water sports have been a lot of fun, they've exhausted us and we haven't gone out much at night. Well, tonight's the night. We ask the concierge where the best dancing is and she suggests a couple places, depending on if we wanted to meet guys or dance. We said both. She chuckled, pulled out a local map and pointed to Don Juan's and we were on our way.

Rennie (that's short for Irene) had slipped on a short black dinner dress and I was in a black leather vest and matching skirt with some silver buttons and knobs for good measure. Her dress was pleated below the waist so it flowed easily and any movement almost revealed the bottom of her butt cheeks. Nonetheless it looked amazing on her and she knew it. Before we left the hotel, I begged her to put some panties on because she didn't want to. After some debate back and forth, we agreed on a black g-string. My undies were a bit more conservative, but still quite sheer and lacy that if viewed properly, left very little to the imagination.

We head down to the club about ten that night

and found it pretty dead. Oh, there were people there, but no one seemed to be dancing, just a loud murmur hovering over the place. We slinked our way over to the bar and ordered a couple drinks. Finding a table with a couple chairs, we sat and looked more closely around the room. The first drink went down quickly and I went to the bar to buy another round. As I return to the table, I see Rennie's up and dancing on her own already. I sit at the table and watch her for a moment, catching glimpses of the g-string triangle in the front and cheeky butt as in the back every time she twirled. I was mesmerized as it was quite sensual to watch.

Soon, a large handful of girls jump up and start dancing near her. Of course, this attracts some of the men that were loitering around or just hanging at the bar. The DJ notices and picks a more up-tempo mix and turns up the volume. Soon, the human mass on the dance floor seems to be gyrating in unison. The lights go dimmer and strobe lights pierce the atmosphere now and then in beat with the music. Rennie is attracting her fair share of guys, but one stands out from the crowd. He was probably six foot two with a nice body, great hair and a big butt. I figured he was probably a football player.

BLAIR-NTS-10

He's dressed in a light blue polo shirt and some pretty tight khakis. On his feet were tan deck shoes and no socks, typical of the resort crowd down here. When he turned and the light was just right, an obvious bulge was evident and I'm not referring to his muscles, although they bulged a bit, too. I'm watching everyone dance and I join in, too, as I finish my drink and put it down next to Rennie's full glass. I saunter out onto the floor and maneuver my way past the writhing bodies toward Rennie. I notice him watching her dance from a few feet away. His eyes are glued to her and as she turns, her dress rides up and reveals her tiny g-string.

That seemed to spur him on so he moves closer toward her. He walks straight up behind her and starts dancing close behind making sure to bump into her. I'm swaying to the music just a few feet away with my own suitor who feels the need to get within inches of me and gyrate his hips. Rennie turns around to see who's invaded her space and as she does, she notices the outline of his rather turgid cock. Instead of a scowl, I see her eyes light up and smile at him!

As the DJ changes the beat and the mood, she and I walk back to our table and she takes her drink. Steps behind is the guy who comes over and introduces himself as Chris. We both smile and say that it's nice to meet him, then Rennie asks if he'll go get me a drink, holding up my empty glass in her other hand. "Sure," he says and heads off. Quickly Rennie sits on the chair and pulls off her g-string and puts it on the table. That tells me she really wants him. I go back

out to the dance floor to leave some space for the two of them. Chris returns with two drinks in hand and sees that I'm gone and Rennie's panty is on the table. His cock is getting hard and he has to sit down cause it's just too obvious. I finish my dance and head back to sit with them.

He can't keep his hands off her, ignoring the fact that I'm sitting right there next to them. I look over and Rennie's hands are running up and down the giant bulge in his pants. I can see the look in her eyes that she is going to have that. She takes his hand and spreads her legs slightly as she pushes it under her dress. Her pussy must be soaked. She tells me she wants to go back to the room with him, but wants to be safe, so I should come too. We grab our few things and leave the club.

They walk together ahead of me, but I don't mind. I'm used to Rennie's antics since our college days, and she's been around when I got mine and I support her when she gets hers. We get to our hotel and jump into the elevator for the six floor ride. Losing no time, he pins her immediately against the elevator wall, kissing her hard with his big soft lips and tongue. He's cupping her butt and I see one of his hands pressing against her ass. Rennie pushes back and groans, kissing him back – hard.

Chris fingers her from behind as she fumbles with the key card!! We get inside and I close the door. They both are again oblivious to me, and I'm glad. They go over to the sofa area and before sitting down, Chris takes off his shirt and pants,

leaving on only his boxers. She starts running her hands over his bulging muscles as I find a chair and settle in. I hear him tell her to get on her knees. This seems to surprise her a bit but she's more than happy to do it. Rennie grabs his shorts and yanks them down. His cock springs right out and I see it's really, really large. I've never seen anything like it, at least ten full inches.

Rennie doesn't even hesitate and wrap her lips around his giant knob. It's throbbing hard and it's stretching her mouth, She's choking on the knob alone. After five minutes of that, his cock is a big wet mess. She stands up and Chris pulls her dress over her head and he leans forward sucking on her boobs and manhandling her everywhere. He picks her up and lays her on the bed. Rennie opens her legs wide inviting him in. He lays his cock on top of her pussy and it reaches her navel. I take off my shoes and sit on the bottom corner of the bed. The shows about to start and I have a front row seat. Chris wastes no time running his cock over her pussy, opening her pussy lips to wrap around his shaft.

Rennie starts telling him to fuck her. He pushes his giant knob in a tiny bit and her pussy stretches to take it all in. But he's still teasing her with just the knob. She can't take it anymore starts pushing yourself on it, filling her up. He starts pushing it until it's all the way in, and I can tell she can feel it on her insides! Her body starts shaking violently as she cum quickly and so hard. Chris slides it all the way out and watches her cum run out everywhere. Satisfied, he thrusts it back in and she moans in pleasure!

He starts fucking her again and his huge size makes her body shake. He keeps saying how tight she. Rennie notices he's going to come and no way does she want this to end. She pushes him off and repositions herself so she sits on his lap facing him with her feet on his taught quads. She lowers herself onto his throbbing cock and starts pushing it in deeper and deeper every time.

Rennie brings herself to cum a couple more times and then he picks her up with his cock still inside. I chuckle again thinking it is probably big enough to hold her up on its own. He's holding her mid-air and fucking her hard as she clings to him with all fours and screams again in pleasure. He starts telling her that he's about to cum and asks if he can fill her pussy. Rennie nods in between her screams and moans. This makes her cum again right at the same time she feels his huge warm load fill her pussy. With a couple slow hard thrusts as if to say goodbye, he hops off Rennie and the bed.

I see his cock is still hard and cum is dripping from it. I raise my hand and curl my finger at him to come over. He does and I take his hugeness into my mouth and begin to lick it clean. I swirl my tongue all around his huge purple head, being sure to get under the crown, and then take as much as I can deep into my mouth, slurping what's ever on the shaft. I pull my head back and it comes out with a large popping sound. He then gathers his stuff and gets dressed. We two girls are sitting on the bed as he looks at us quizzically. We smile back at him, waving goodbye like parade princesses and giggle.

going fishing

Britt goes to one of these spas where exotic fish eat the dead skin off her body. It sounds creepy, but it feels really good, and her skin looks great! The owner lets her go in there sometimes, and she loves it when the little fishies nibble on her! She says it's something everyone should try at least once!
